*Made in Germany*   
*since 1907*

# BOGE BESTCAIR 5+5 EQUALS 10 YEARS RELIABILITY WITH UNLIMITED RUNNING TIME

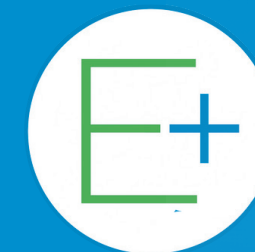

After over 110 years of experience manufacturing compressors we know our products perfectly, giving us the confidence to offer our customers a warranty that backs the quality, reliability and durability of our products.

BOGE best*cair* 5+5 is an extensive manufacturers warranty for oil lubricated screw compressors, providing you with maximum reliability and peace of mind; with certified BOGE service technicians undertaking the work that is needed on your compressed air system.

The combination of cost effective, qualified service by certified BOGE service technicians, original BOGE spare parts together with our state of the art service and real-time diagnostic tools, gives your system a high level of operating reliability and consistent efficiency; for a full ten years.

BOGE best*cair* 5+5 warranty applies to virtually every component. The comprehensive parts warranty ensures free replacement - over the entire period - in the event of a problem. With BOGE best*cair*, this applies regardless of the number of operating hours and with no hidden costs.

## Total peace of mind for 10 years

- Fixed costs with no hidden charges for up to 10 years
- No restriction on running hours
- No excess charges
- No previous claim penalties
- Advanced remote monitoring & service management via BOGE Connect APP & Portal
- The support of a global manufacturing company with over 110 years of experience

BOGE best*cair* 5+5 provides you with a comprehensive care package with a ten-year warranty on exchange parts. Available with all new C & S Series oil lubricated screw compressors.

BOGE AIR. THE AIR TO WORK.
