

Health and Safety Policy
(Health & Safety At Work Act 1974)

This is the Health and Safety Policy Statement of
BOGE COMPRESSORS LIMITED

Our policy is to provide and maintain safe and healthy, environment, working conditions, equipment and systems of works in our workplace. It is also our policy to provide adequate control of the health and safety risks arising from our work activities. We will ensure safe handling and use of substances. We will also provide such information, training, and supervision, as is need for this purpose. We also acknowledge responsibility for the health and safety other people who may be affected by our work activities or visit the site.

It is also our policy is to consult with our employees on matters affecting their health and safety, and it is our policy to prevent accidents and cases of work-related ill health.

The allocation for safety matters and the particular arrangements that we will make to implement the policy are set out below. The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, our policy and the way it is operated will be reviewed annually.
